Ref. EB/JULY/18

Date: - 14 JULY 2018

BUILDING SAFETY CERTIFICATE

It is to certify that the building of Jindal Public School Tosham Distt. Bhiwani (Haryana) has been designed strictly as per standard norms of Earth Quake Resistant building , The building is safe & fit for its use as school building.

It is constructed strictly as per Indian Standards of Building Codes for Steel and Concrete. I have personally inspected the site and it is safe to be used as Class Rooms of School.

Following books and IS Standards were referred:

1. IS 800:2007
2. Civil Engineers Handbook
3. IS: 456
4. Steel Handbook For Steel Sections (SP 6-1)
5. RCC Design by I.C.Syal
